8th District Newsletter

July 2017

Happy Independence Day

Please stay safe and HAVE FUN this upcoming holiday weekend. There are a TON of events going on over the summer in the 8th District, and I hope you will take advantage of them. As always, it is an honor to serve as your County Supervisor, and I look forward to hearing your thoughts for Milwaukee County.

"Where Liberty Dwells, There is My Country"

- Benjamin Franklin

In This Issue:

- MKE Airport Sustainability Survey
- Ballpark Commons
- Friends of Cudahy Library Book Sale
- Shop St. Francis week
- South Milwaukee Heritage Days

Supervisor Sartori among 50 other veterans at the South Milwaukee Legion Post receives an award from the Department of Defense for being a Vietnam-Era combat veteran.

MKE Airport Sustainability Survey Invitation

Milwaukee County is developing a Sustainability Management Plan (SMP) for Mitchell Airport (MKE). When complete, the SMP will detail a sustainability program and management system for the Airport and will help align Airport Operations with sustainable development principles. It will guide efforts to reduce the Airport's carbon footprint, waste, and energy use to manage resources efficiently and improve the Airport experience for travelers, tenants, employees and neighbors.

For more than 20 years, MKE has been implementing programs to improve sustainability, with innovative efforts to increase recycling, to manage runoff with green infrastructure, and to redevelop buildings to LEED standards. The SMP represents the next step in making the Airport a leader in sustainability and enhancing Milwaukee County's reputation.

Please help us by taking the second of three surveys at the link below.

Please note that there are two different versions of the surveys; a short five minute survey and a longer ten minute survey. If you take the longer survey, you may choose to be entered into a drawing to win a Starbucks gift card!

<https://www.surveymonkey.com/r/MKEsustainability2017>

Your responses regarding sustainability at MKE will help guide our understanding of current perceptions of the Airport and help refine sustainability focus areas.

Thank you for your time!

Ballpark Commons Proposal

If you are not already familiar with this proposed development in Franklin, I would urge you to read more about the project from [this article](#). You may also find the [County documents related to this project here](#). This topic has been studied, debated, and analyzed by various committees of the Milwaukee County Board of Supervisors. I serve on the Transportation, Public Works, & Transit Committee and the Economic & Community Development Committee and we have had public hearings on this topic.

Supervisor Sartori presents immediate past President Dawn McCarty of the Milwaukee Preservation Alliance with a congratulatory citation in honor of their organization's success in saving the Soldier's Home.

The Ballpark Commons proposal consists of a lot of “moving parts” including breaking the developer’s current lease for “The Rock,” decommissioning Old Loomis Road, rezoning of the appropriate parcels by the city of Franklin, and other due diligence processes. I have either participated as a committee member or observer in numerous hours of discussions and debate on this project. We live in an imperfect world and I doubt that there is such a thing as a “perfect development” which will please all involved. When casting my ballot on a specific project, I have to consider multiple factors (e.g. short and long term effects, sustainability, community needs, and the existing neighborhood). I personally visited the site, read considerable literature on the project proposal, listened to the developer and residents, and considered the negative and positive attributes for the citizens of Milwaukee County. I am not the supervisor of the area, but my district (Cudahy, Saint Francis, South Milwaukee, and a portion of Oak Creek) will eventually be impacted by this project. Some residents favor this proposal and some are opposed, but the community has had many months to have their individual and collective voices heard. Personally, I tend to support the proposal. Unquestionably, with this type of proposed development there are potential risks involved, but all of life involves risks. I believe these risks can be managed by proper oversight by the County and the Wisconsin DNR.

2017 FOURTH OF JULY

The 2017 Fourth of July Parade will once again be on Packard Avenue. The Parade will start at Grange and Packard, running north to Layton Avenue turning east on Layton Avenue, and ending at Sheridan Park. The parade will kick off at noon. Following the parade, start the

day long activities at Sheridan Park. Plans are currently in the works for the entire celebration.

Afternoon and evening events include an opening ceremony, we are anticipating performances from the Cudahy Bull Dog Cheer Team, Cudahy High School Pon Poms, CHS varsity and Jr. Varsity Cheer Teams. And back again by popular demand by Glen Gerard Magic Productions along with musical acts Superfly, Sensations and Winter In The East. Capping off the day are the fantastic fireworks in Sheridan Park at approximately 9:20 from Spielbauer Fireworks.

Other plans are currently in the works, so stay tuned! And of course... Don't forget food is available for purchase next to the Pavilion at Sheridan Park from the Cudahy Lions Club.

If you are a community organization or business interested in being in the largest 4th of July parade in the area, please contact the Office of the Mayor, 414-769-2222 or jhohenfeldt@ci.cudahy.wi.us. [Download the parade application here.](#)

4th of July Parade Route Changes

The closing of the intersection of S. Packard Avenue and E. Lunham Avenue will have an impact on the St. Francis 4th of July parade route this year only. The parade route will be almost the same beginning on E. Howard Avenue around S. Lipton Avenue, then heading east to S. Packard Avenue, then heading south on S. Packard Avenue to E. Denton Avenue, then east to the western driveway entrance to Vretenar Memorial Park. People wanting to be at Vretenar Memorial Park prior to or during the parade should come from S. Lake Drive and head west on E. Denton Avenue to the eastern driveway entrance to the park. After the parade is finished, access to the park will be as it has been in the past – at the western driveway entrance.
